BNSC 1000. Behavioral Neuroscience at Northeastern. (1 Hour)
Introduces first-year and new transfer students to the major and the
field of behavioral neuroscience and to the professional and academic
resources available to students at Northeastern University. Acquaints
students with their faculty, advisors, and fellow students; provides an
initial orientation to undergraduate research, cooperative education,
study abroad, and other experiential learning options; familiarizes
students with academic support resources and leadership opportunities;
provides grounding in the culture and values of the university community
—in short, familiarizes students with all skills needed to become a
successful university student.

BNSC 1990. Elective. (1-4 Hours)
