ENGW 1101. Introductory Writing—SOL (Speakers of Other Languages). 4 Hours.
Introductes students to the components of the writing process, from generating ideas to drafting and revising. In a workshop setting, students learn to read texts of some complexity (which in turn serve as the occasion for their own writing), and to write expository prose that makes use of a variety of rhetorical strategies and research methods while demonstrating a control of the conventions of standard edited written English. Requires students to write multiple drafts and emphasizes the writing process as well as the quality of the finished product. Students must keep a portfolio of their work. Requires diagnostic placement for nonnative speakers.

ENGW 1102. First-Year Writing for Multilingual Writers. 4 Hours.
Designed for students whose first or strongest language is not English. Parallels ENGW 1111 but focuses on the concerns of multilingual writers. Students study and practice writing in a workshop setting; read a range of texts in order to describe and evaluate the choices writers make and apply that knowledge to their own writing; explore how writing functions in a variety of academic, professional, and public contexts; and write for various purposes and audiences in multiple genres and media. Offers students an opportunity to learn how to conduct research using primary and secondary sources and to give and receive feedback, to revise their work, and to reflect on their growth as writers.

ENGW 1110. Introductory First-Year Writing. 4 Hours.
Designed for students who would benefit from an extra semester of writing instruction before taking ENGW 1111. Students study and practice writing in a workshop setting. Introduces students to college-level writing, reading, and research. Offers students an opportunity to give and receive feedback, to revise their work, and to reflect on their growth as writers.

ENGW 1111. First-Year Writing. 4 Hours.
Designed for students to study and practice writing in a workshop setting. Students read a range of texts in order to describe and evaluate the choices writers make and apply that knowledge to their own writing and explore how writing functions in a range of academic, professional, and public contexts. Offers students an opportunity to learn how to conduct research using primary and secondary sources; how to write for various purposes and audiences in multiple genres and media; and how to give and receive feedback, to revise their work, and to reflect on their growth as writers.

ENGW 1990. Elective. 1-4 Hours.
Offers elective credit for courses taken at other academic institutions. May be repeated without limit.

ENGW 2990. Elective. 1-4 Hours.
Offers elective credit for courses taken at other academic institutions. May be repeated without limit.

ENGW 3250. Writing for the Professions. 4 Hours.
Introduces the vocabulary and philosophy of business communications. Offers students an opportunity to practice planning, writing, and analyzing effective industry-related letters and memoranda and to apply the writing process (brainstorm, draft, focus, revise, edit) successfully to compose letters, emails/memos, proposals, and other types of writing and correspondence associated with various industries.

ENGW 3302. Advanced Writing in the Technical Professions. 4 Hours.
Offers writing instruction for students in the College of Engineering and the College of Computer and Information Science. Students practice and reflect on writing in professional, public, and academic genres—such as technical reports, progress reports, proposals, instructions, presentations, and technical reviews—relevant to technical professions and individual student goals. In a workshop setting, offers students an opportunity to evaluate a wide variety of sources and develop expertise in audience analysis, critical research, peer review, and revision.

ENGW 3303. Advanced Writing in the Environmental Professions. 4 Hours.
Provides writing instruction for students in fields related to environmental studies. Students develop an in-depth analytic or recommendation report about a complex environmental concern related to their majors and/or their co-op or other personal or professional experiences. In a workshop setting, students evaluate scholarly and popular sources, practice a variety of professional and academic forms of writing and communication, and develop expertise in audience analysis, critical research, peer review, and revision. Writing is guided in stages from initial topic exploration and a formal proposal through drafts and progress reports to a final polished report, presented in a bound portfolio with a cover letter, an abstract, and other writing samples.

ENGW 3304. Advanced Writing in the Business Administration Professions. 4 Hours.
Offers writing instruction for students in the D’Amore-McKim School of Business. Students practice and reflect on writing in professional, public, and academic genres—such as proposals, recommendation reports, letters, presentations, and e-mails—relevant for careers in business. In a workshop setting, offers students an opportunity to evaluate a wide variety of sources and develop expertise in audience analysis, critical research, peer review, and revision.

ENGW 3305. Advanced Writing in the Criminal Justice Professions. 4 Hours.
Offers writing instruction for students in criminal justice. Students practice and reflect on writing in professional, public, and academic genres—such as reports, protocols, press releases, and public service announcements—relevant for careers in criminal justice and related fields. In a workshop setting, offers students an opportunity to evaluate a wide variety of sources and develop expertise in audience analysis, critical research, peer review, and revision.

ENGW 3306. Advanced Writing in the Health Professions. 4 Hours.
Offers writing instruction for students in the Bouvé College of Health Sciences. Students practice and reflect on writing in professional, public, and academic genres—such as literature reviews, case studies, protocols, and care instructions—relevant for careers in nursing, pharmacy, and other health professions. In a workshop setting, offers students an opportunity to evaluate a wide variety of sources and develop expertise in audience analysis, critical research, peer review, and revision.
ENGW 3307. Advanced Writing in the Sciences. 4 Hours.
Offers instruction in writing for students considering careers or advanced study in the physical or life sciences. By exploring research literature and reflecting on their own experiences, offers students an opportunity to identify issues of interest in their field and analyze how scientific texts make claims, invoke other scientific literature, offer evidence, and deploy key terms. Through analysis and imitation, exposes students to the challenges of the scientific project, such as the use of quantitative data and visual presentation of evidence. In a workshop setting, offers students an opportunity to evaluate a wide variety of sources and develop expertise in audience analysis, critical research, peer review, and revision.

ENGW 3308. Advanced Writing in the Social Sciences. 4 Hours.
Offers instruction in writing for students considering careers or advanced study in the social sciences. By exploring research literature and reflecting on their own experiences, offers students an opportunity to identify issues of interest and analyze how texts make claims, invoke other social science literature, offer evidence, and deploy key terms. Through analysis and imitation, exposes students to the challenges of the social science project, including the collection of data on human subjects and the ethical presentation of evidence. In a workshop setting, offers students an opportunity to evaluate a wide variety of sources and develop expertise in audience analysis, critical research, peer review, and revision.

ENGW 3309. Advanced Writing in the Humanities. 4 Hours.
Offers instruction in writing for students considering careers or advanced study in the humanities. By exploring critical literature and reflecting on their own experiences, offers students an opportunity to identify issues of interest and analyze how texts make claims, invoke primary and secondary texts, offer evidence, and deploy key terms. Through analysis and imitation, exposes students to the challenges of the humanities project, including the framing of interpretive questions and the presentation of textual evidence. In a workshop setting, offers students an opportunity to evaluate a wide variety of sources and develop expertise in audience analysis, critical research, peer review, and revision.

ENGW 3310. Advanced Writing in Literature. 4 Hours.
Builds upon courses in the English major by focusing on "writing about literature" as a genre, a kind of writing that has its own history and set of styles and conventions. Analyzes a variety of strategies that readers, including published scholars, use in writing about literature. Examines how such strategies are shaped by different literary theories and approaches to texts, as well as by assumptions about what constitutes an argument and what is an appropriate persona or voice to adopt in literary studies. In a workshop setting, offers students an opportunity to evaluate a wide variety of sources and develop expertise in audience analysis, critical research, peer review, and revision.

ENGW 3311. Advanced Writing for Prelaw. 4 Hours.
Offers instruction in writing for students considering legal careers. Introduces students to legal reasoning and to the contexts, purposes, genres, audiences, and styles of legal writing. Emphasizes the role of writing and argument in U.S. legal culture. Using strategies drawn from rhetorical theory and criticism, students examine briefs, memoranda, opinions, and other legal texts to identify and describe techniques of analysis and persuasion. In a workshop setting, offers students an opportunity to evaluate a wide variety of sources and develop expertise in audience analysis, critical research, peer review, and revision.

ENGW 3312. Advanced Writing in Education. 4 Hours.
Offers instruction in writing for students considering careers in education. Students practice and reflect on writing in professional, public, and academic genres in education, including teaching narratives, classroom ethnographies, case studies, educational policies, standards and outcomes, curricula, syllabi, lesson plans, etc. In a workshop setting, offers students an opportunity to evaluate a wide variety of sources and develop expertise in audience analysis, critical research, peer review, and revision.

ENGW 3313. Advanced Writing in Education. 4 Hours.
Offers instruction in writing for students considering careers in education. Students practice and reflect on writing in professional, public, and academic genres in education, including teaching narratives, classroom ethnographies, case studies, educational policies, standards and outcomes, curricula, syllabi, lesson plans, etc. In a workshop setting, offers students an opportunity to evaluate a wide variety of sources and develop expertise in audience analysis, critical research, peer review, and revision.

ENGW 3314. Advanced Writing in the Arts, Media, and Design. 4 Hours.
Examines writing in the arts and in the fields of media and design. Explores writing for a range of public and professional audiences, including scholarly and critical. Emphasizes understanding different literacies: alphabetic, visual, musical, and sculptural. Genres might include critical reviews, grant writing, promotional pieces, interactive narratives, newspaper articles, and Web pages, among others. Offers students an opportunity for analysis, reflexive imitation, and creative interdisciplinary work.

ENGW 3315. Interdisciplinary Advanced Writing in the Disciplines. 4 Hours.
Offers writing instruction for students interested in interdisciplinary study or who wish to explore multiple disciplines. Students practice and reflect on writing in professional, public, and academic genres relevant to their individual experiences and goals. In a workshop setting, offers students an opportunity to evaluate a wide variety of sources and to develop expertise in audience analysis, critical research, peer review, and revision.

ENGW 3990. Elective. 1-4 Hours.
Offers elective credit for courses taken at other academic institutions. May be repeated without limit.
