

# Dual Degrees

If your interests and goals include multiple areas of expertise, customize your career path by combining the rigorous graduate coursework of the D'Amore-McKim MBA with a specialized master's degree. You'll have the opportunity to double your expertise and maximize your network. Not to mention, you'll leave with two degrees from one of the world's leading research institutions.

## Programs

- MS/MBA—Nursing and Business Administration (<http://catalog.northeastern.edu/graduate/business/dual-degrees/nursing-businessadministration-msmba>)
