The JD/MBA program offers students an opportunity to obtain both the JD and MBA degrees in a full-time, four-year course of study, which includes four one-quarter co-op work experiences arranged through the law school co-op office. Starting in the fall term, students are enrolled in the School of Law for a total of three years and the D’Amore-McKim School of Business for one year. JD/MBA candidates complete three years of law school, taking a break after either year one or year two to complete one year of business school. Information detailing the three years of JD course work and co-op is available at the School of Law (http://www.northeastern.edu/law/academics/curriculum/dual-degrees/jdmba.html) website.

The course work for the MBA year consists of 49 semester credits, comprised of the established program plan for the first two semesters of the full-time MBA program (30 credits) with some changes in the program schedule. During spring semester, students will take one additional 3-credit elective. During summer, students will take Managing the Global Enterprise (INTB 6200), along with 13 credits of MBA electives.
