

Bachelor's and Postbaccalaureate Programs, Lowell Institute School

Bachelor of Science

These programs are self-paced:

- Advanced Manufacturing Systems (<http://catalog.northeastern.edu/professional-studies/bachelors-postbaccalaureate/lowell-institute-school/advanced-manufacturing-bs>)
- Biological science (<http://catalog.northeastern.edu/professional-studies/bachelors-postbaccalaureate/lowell-institute-school/biological-science-bs>)
- Biotechnology (<http://catalog.northeastern.edu/professional-studies/bachelors-postbaccalaureate/lowell-institute-school/biotechnology-bs>)
- Environmental science (<http://catalog.northeastern.edu/professional-studies/bachelors-postbaccalaureate/lowell-institute-school/environmental-science-bs>)
- Health management (<http://catalog.northeastern.edu/professional-studies/bachelors-postbaccalaureate/lowell-institute-school/health-management-bs>)
- Health science (<http://catalog.northeastern.edu/professional-studies/bachelors-postbaccalaureate/lowell-institute-school/health-science-bs>)
- Information technology (<http://catalog.northeastern.edu/professional-studies/bachelors-postbaccalaureate/lowell-institute-school/information-technology-bs>)
- Psychology (<http://catalog.northeastern.edu/professional-studies/bachelors-postbaccalaureate/lowell-institute-school/psychology-bs>)

Bachelor of Science in Engineering Technology

These programs are self-paced:

- Computer engineering technology (<http://catalog.northeastern.edu/professional-studies/bachelors-postbaccalaureate/lowell-institute-school/computer-engineering-technology-bset>)
- Electrical engineering technology (<http://catalog.northeastern.edu/professional-studies/bachelors-postbaccalaureate/lowell-institute-school/electrical-engineering-technology-bset>)
- Mechanical engineering technology (<http://catalog.northeastern.edu/professional-studies/bachelors-postbaccalaureate/lowell-institute-school/mechanical-engineering-technology-bset>)
