NUpath requirements are a set of 10 competencies designed to prepare students for personal success in an ever-evolving global society regardless of their chosen field of study. NUpath requirements are as follows:

- Natural and Designed World
- Creative Expression and Innovation
- Interpreting Culture
- Formal and Quantitative Reasoning
- Societies and Institutions
- Analyzing and Using Data
- Differences and Diversity
- Ethical Reasoning
- Writing Across Audiences and Genres
- Demonstrating Thought and Action in a Capstone

Because NUpath is competency based rather than course based, students have many options of courses to fulfill the requirements. Students can use the Dashboard tool (http://www.neu.edu/registrar/db-cps.html) to find courses both in and beyond their major requirements that satisfy NUpath. Courses that meet major, minor, or concentration requirements can also meet NUpath requirements. There are no level restrictions or semester-hour restrictions. A single course can count for up to two of the following requirements:

- Natural and Designed World
- Creative Expression and Innovation
- Interpreting Culture
- Formal and Quantitative Reasoning
- Societies and Institutions
- Analyzing and Using Data
- Differences and Diversity
- Ethical Reasoning

The two additional requirements (writing-intensive in the major and capstone) are not limited. So, for example, a course may have two out of the first list (such as Differences and Diversity and Societies and Institutions) and also fulfill writing-intensive in the major and capstone.

Transfer credit and placement tests can also be used to meet the NUpath attributes of the Northeastern course equivalents. Up to five of the following eight requirements can be met by transferred or placement test credits:

- Natural and Designed World
- Creative Expression and Innovation

Transfer credits cannot be used to fulfill the capstone or experiential requirements. Of the writing requirements (http://catalog.northeastern.edu/professional-studies/university-academics/nupath/writing-intensive), only the first-year writing requirement can be met by transferred or placement test credits.
