Scholarships reward academic excellence. Northeastern has established several highly selective scholarship programs to reward and recognize outstanding academic achievement. You must apply by the regular deadline to be considered for these scholarships. No additional applications are necessary, as consideration for merit scholarships is automatic when the application is completed by the deadline.

**Northeastern Honors Program**

Each fall, the University Honors Program at Northeastern University invites a select group of domestic and international applicants to join. Those invited into the Honors Program are among our most highly accomplished and motivated admitted students. There is no separate application process for the Honors Program. Decisions are rendered based on the undergraduate admissions application submitted to the university. Students are considered for entry as part of the Early Decision, Early Action, and Regular Decision processes. The invitation to join the University Honors Program will be included in the official admission letter. Additional details regarding scholarships and grants for Honors Program students may be found online (http://www.northeastern.edu/honors/community/honors-program-scholarships).

**Ujima Global Leaders Program**

The Ujima Global Leaders Program is a scholarship program focused on developing leaders for tomorrow's diverse and complex world. Ujima Global Leaders from all academic disciplines will work collaboratively to develop intercultural competence and awareness by engaging with communities on campus, throughout Boston, and the world. Working with staff and faculty, Global Leaders may choose to make an impact based on their interests and goals via community service involvement, experiential opportunities, and research and global experiences. Committed to excellence, academic achievement, service, and diversity, Global Leaders will be prepared to meet the challenges of tomorrow. The Ujima Global Leaders Program seeks to enroll academically talented first-year students with demonstrated leadership skills, community involvement, and/or an interest in issues related to serving underrepresented and underserved populations. Scholars receive the Ujima Global Leadership Award, and those with demonstrated need will have their full need met. Scholars will also be expected to participate in Northeastern's Civic Engagement Program and complete 50 hours of community service each year.

**The International Scholars Awards**

Northeastern University does not offer need-based assistance to international students.

**Awards:** Merit-based scholarships ranging from $10,000 to $20,000. The scholarships reward the outstanding academic achievements of incoming freshman international students. They are awarded for a maximum of eight semesters as long as the student maintains a 3.000 grade-point average.
