The minimum passing grade for a course within a curriculum is stipulated in the program requirements published in this catalog. The minimum passing grades required for certain NUpath writing-intensive courses is established by the university and can be viewed at this section of the catalog (http://catalog.northeastern.edu/undergraduate/university-academics/nupath/writing-intensive/). For a course where the minimum passing grade is not established in the program requirements published in this catalog, the university’s minimum passing grade for the course will be accepted.

PROGRESSION WITHIN BOUVÉ

- First-year students must complete the minimum semester hours outlined by the university Academic Progression Standards (http://catalog.northeastern.edu/undergraduate/academic-policies-procedures/progression-standards/) and meet all major/program prerequisite course requirements to progress to sophomore status.
- Students who incur an incomplete grade in a prerequisite course may not progress into the subsequent courses(s). Any exceptions will be determined by protocols established by the program, after consultation with the student’s academic adviser. See Clearing an Incomplete or Changing Other Grades section on the (http://catalog.northeastern.edu/undergraduate/academic-policies-procedures/student-records-transcripts-related-policies/)Student Records, Transcripts, and Related Policies page of this catalog for more detail.
- Please see each program’s requirements page in this catalog for progression requirements specific to that program.

ACADEMIC DISMISSAL FROM MAJOR

Students in the Bouvé College of Health Sciences will be dismissed from their major effective the following academic semester for failure to earn the minimum required grade in the same course twice. Additional grounds for academic dismissal specific to each major can be found on the program requirements page of the major in this catalog.

Note: Students dismissed from their major but who are otherwise in good standing with the university are allowed to remain at Northeastern University for up to two semesters as a provisional Bouvé student, by the end of which, the student is expected to move into a new major. If not moved into a new major by the end of two semesters, the student will be blocked from further registration.

ACADEMIC APPEALS

Students who believe that they were erroneously, capriciously, or otherwise unfairly treated in an academic or cooperative education decision may petition to appeal the decision. Additional details about the process may be found in the Bouvé College Academic Affairs Appeals Policy and in Appeals Policies and Procedures in the university Undergraduate Student Handbook. The Bouvé College Academic Affairs Appeals Policy linked above applies to both undergraduate and graduate students in the college.
