Northeastern University D'Amore-McKim School of Business' Online Master of Science in Finance ([https://damore-mckim.northeastern.edu/programs/ms-finance/?utm\\_medium=website&utm\\_source=catalog&utm\\_campaign=omsf](https://damore-mckim.northeastern.edu/programs/ms-finance/?utm_medium=website&utm_source=catalog&utm_campaign=omsf)) helps students cultivate the high-level knowledge needed to drive financial strategy in today's tech economy.

## DEVELOP DEEP FINANCE EXPERTISE

Core courses and elective offerings help students become financial experts with the skills to diversify financial portfolios, effectively minimize risks, maximize return on investments, and sustain growth. Students interested in pursuing the Chartered Financial Analyst designation will find CFA preparations integrated into their coursework.

## SELECT A TRACK

Students may specialize their studies by selecting either a corporate finance track or an investments track. In the corporate finance track, students will learn how to grow a company by sourcing and allocating capital. In the investments track, students will examine financial instruments and portfolios of securities.

## INTEGRATE CLASSROOM AND PROFESSIONAL EXPERIENCES

Students will have opportunities to obtain real-world experiences that help them gain a fresh perspective while using relevant skills. They apply their knowledge to actual business challenges through class projects.

## LEARN FROM ANYWHERE, ANYTIME

Listen to lectures, access course materials, and submit assignments by deadlines in this 100% online program. All courses are five weeks long, and you'll focus on one course at a time for an intensive learning experience.

Students may enroll in this 30-semester-hour master's degree program for online study.
