

Financial Awards

Northeastern University and the Bouvé College of Health Sciences offer a variety of financial awards to graduate students. For further information about awards, please refer to the Financial Aid Assistance (<https://catalog.northeastern.edu/graduate/expenses/financial-aid-assistance/>) section of this catalog and the Student Financial Services (<https://studentfinance.northeastern.edu/applying-for-aid/graduate/>) website.

If a student is offered other grant aid from the university, they will only receive the scholarship of higher value.
