Grades

Students will receive credit for courses in which they receive a grade of "High Honors," "Honors," "Pass," or "Marginal Pass," but not for courses in which they receive a grade of "Fail." If any class is designated as offered on a pass/fail basis, students will receive credit for a passing grade but not for a grade of "Fail."

Incomplete Grades

The School of Law follows university policy on incomplete grades (<https://catalog.northeastern.edu/graduate/academic-policies-procedures/incomplete-grade-policy/>).
