The College of Science is pleased to offer several graduate certificate programs for working professionals as well as postbaccalaureate students who want to build their knowledge in growing fields. Graduate certificates are offered in in biotechnology, bioinformatics, applied mathematics, and nanomedicine. These programs are ideal for people already in the field who want to enhance their career or people who are looking to make a change.

Program Requirements

**Biology**

- Bioinformatics (http://catalog.northeastern.edu/graduate/science/biology/bioinformatics-graduate-certificate/)

**Chemistry and Chemical Biology**

- Biodefense and Biosecurity (http://catalog.northeastern.edu/graduate/science/chemistry-chemical-biology/biodefense-biosecurity-graduate-certificate/)
- Bioinformatics and Cheminformatics (http://catalog.northeastern.edu/graduate/science/interdisciplinary/bioinformatics-cheminformatics-graduate-certificate/)
- Biopharmaceutical Analytical Sciences (http://catalog.northeastern.edu/graduate/science/chemistry-chemical-biology/biopharmaceutical-analytical-science-graduate-certificate/)
- Biotechnology (http://catalog.northeastern.edu/graduate/science/chemistry-chemical-biology/biotechnology-graduate-certificate/)
- Biotechnology Enterprise (http://catalog.northeastern.edu/graduate/science/chemistry-chemical-biology/biotechnology-enterprise-graduate-certificate/)
- Biotechnology Regulatory Science (http://catalog.northeastern.edu/graduate/science/chemistry-chemical-biology/regulatory-science-graduate-certificate/)
- Experimental Biotechnology (http://catalog.northeastern.edu/graduate/science/chemistry-chemical-biology/experimental-biotechnology-graduate-certificate/)
- Manufacturing and Quality Operations in Biotechnology (http://catalog.northeastern.edu/graduate/science/chemistry-chemical-biology/manufacturing-quality-operations-biotechnology-graduate-certificate/)
- Molecular Biotechnology (http://catalog.northeastern.edu/graduate/science/chemistry-chemical-biology/molecular-biotechnology-graduate-certificate/)
- Omics (http://catalog.northeastern.edu/graduate/science/interdisciplinary/omics-graduate-certificate/)
- Pharmaceutical Technologies (http://catalog.northeastern.edu/graduate/science/chemistry-chemical-biology/pharmaceutical-technologies-graduate-certificate/)
- Process Science (http://catalog.northeastern.edu/graduate/science/chemistry-chemical-biology/process-science-graduate-certificate/)
- Vaccine Development (http://catalog.northeastern.edu/graduate/science/chemistry-chemical-biology/vaccine-development-graduate-certificate/)

**Mathematics**

- Applied Mathematics (http://catalog.northeastern.edu/graduate/science/mathematics/applied-mathematics-graduate-certificate/)

**Physics**

- Nanomedicine (http://catalog.northeastern.edu/graduate/science/physics/nanomedicine-graduate-certificate/)
