

Identification Cards

All students must have in their possession at all times their officially approved and properly validated Husky Card. It will be necessary to show this card as a means of identification at the library, at campus recreational facilities, at athletic contests, at student elections, at University Health and Counseling Services, at Student Accounts, to the Northeastern University Police Department, and elsewhere around the university. Husky Cards will be issued to new students at their initial orientation and registration periods. Replacements for lost cards can be obtained through Husky Card Services (<https://huskycard.sites.northeastern.edu/>). All members of the community must identify themselves and their guests upon request by any university personnel or authorized personnel and must be able to produce a Northeastern University identification card.
