

Spanish, Minor

The Spanish minor focuses on two outcomes: developing students' linguistic proficiency and broadening their insights into Hispanic cultures so that students may engage in meaningful interactions with Spanish speakers throughout the world. The communication skills and transcultural awareness that students develop throughout the course of the minor prepare them for a wide range of opportunities and experiences, both in and beyond the classroom.

Minor Requirements

Students will be required to take a total of five courses, at least four of which must be taken in Spanish. These may include courses at or above the intermediate level in Dialogues of Civilization at Northeastern University. A maximum of two courses of transfer credits, including transferable courses taken abroad, may count toward the five courses in the minor. Study abroad courses must be approved by the Spanish Program Coordinator prior to the semester abroad.
